FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

In the Matter of)

Amendment of Section 73.606(b))

Table of Allotments)

Television Broadcast Stations)

(Vernal and Santaquin, Utah,)

Ely and Caliente, Nevada))

MM Docket No.

RM -

To: Chief, Allocations Branch
Policy & Rules Division
Mass Media Bureau

DOCKET FILE COPY ORIGINAL

PETITION FOR RULE MAKING

TV 6, L.L.C., permittee of VHF TV Station KBCJ, Channel 6 at Vernal, Utah and Kaleidoscope Foundation, Inc., permittee of VHF TV Station KBNY, Ely, Nevada (collectively, the "Petitioners"), by their counsel, hereby jointly petition the Commission, pursuant to Section 1.420 of the Commission's Rules, for amendment of the Commission's Table of Television Allotments (Section 73.606(b) of the Commission's Rules) as follows: (a) delete VHF TV Channel 6 at Vernal, Utah and allot VHF Channel 6 to Santaquin, Utah and modify the KBCJ permit accordingly and (b) delete VHF Channel 6 at Ely, Nevada and allot VHF Channel 6 to Caliente, Nevada and modify the KBNY permit accordingly. Grant of this petition will provide the communities of Santaquin, Utah and Caliente, Nevada with their first local television service and provide first television service to substantial unserved and underserved areas. In support hereof, Petitioners state as follows:

1. The reallocation of Channel 6 from Vernal, Utah to Santaquin, Utah is dependent upon the reallocation of Channel 6 from Ely, Nevada to Caliente, Nevada. Therefore the proposals are being submitted jointly by Petitioners. The two Petitioners have coordinated the

No. of Copies rec'd 014
List ABCDE
M.M.B.

filing of the two proposals cooperatively and desire to assure the Commission that the implementation of the Ely station moving to Caliente will take place so that the Vernal station move to Santaquin will not be delayed.

2. The Commission's obligation under Section 307(b) of the Communications Act of 1934, as amended, (the "Act") is to provide a "fair, efficient and equitable distribution of radio service" to the various cities and communities across the country. The priorities for distributing television stations equitably across the country are:

(1) to provide at least one television service to all parts of the United States, (2) to provide each community with at least one television broadcast station, (3) to provide a choice of at least two television services to all parts of the United States, (4) to provide each community with at least two television broadcast stations, and (5) to assign any remaining channels to communities based on population, geographic location, and the number of television services available to the community from stations located in other communities.

Sixth Report and Order, 41 FCC 148, 167 (1952) ("Television Allocation Priority Policy").

3. Under the Commission's decision in *Modification of FM and TV Authorizations to Specify a New Community of License*, 4 FCC Rcd 4870 (1989), *recon.*, 5 FCC Rcd 7094 (1990), petitions for rule making to change community of license will not be granted if the effect would be to deprive a community of its only local transmission service. KBCJ and KBNY have not been constructed and are not providing local service to the residents of their respective communities of license. Therefore, the reallocation of Channel 6 from Vernal, Utah to Santaquin, Utah will not deprive Vernal of a local transmission service and the reallocation of Channel 6 from Ely, Nevada to Caliente, Nevada will not deprive Ely of a local transmission service. See, e.g., *Farmington and Gallup, NM*, 11 FCC Rcd 2357, 2360 (1996). Additionally, the community of Vernal will still have a local television allotment (Channel 17*) and the community of Ely will

soon receive service from authorized new television station, KBJN-TV, Channel 3, if Petitioners' proposal is adopted.¹ In addition, there are additional channels available for NTSC allotment to Vernal, Utah and Ely, Nevada. See Engineering Statement.

4. Santaquin fully satisfies the FCC definition of "community" for allotment purposes. Santaquin is listed in the 1990 U.S. Census with a population of 2,368 persons. There is a mayor/city council form of government and a city manager. The city has also created an Economic Development Commission, a Planning and Zoning Commission and a Youth City Council. Santaquin has its own zip code (84655), police department and fire protection, a library, an elementary school and its own natural gas company. The city maintains its own web page (www.ulct.org/santaquin), and has several medical clinics, churches and other businesses in the town. See Exhibit A.

5. Santaquin is not located in an urbanized area and the proposed principal community contour will not cover 50% of an urbanized area.

6. Caliente also satisfies the FCC definition of "community" for allotment purposes. Caliente had a population of 1,111 according to the 1990 U.S. Census. There is a mayor/city council form of government and a city manager. Caliente has its own zip code (89008) fire protection, hospital, and a branch of the Lincoln County Library is located in Caliente. There is an elementary school, a high school and a community college located in Caliente. Caliente has its own Chamber of Commerce, and four local churches. Other civic and community organizations in Caliente include American Legion No. 23, Masons - Lodge No. 38, Rotary Club,

1. An application for the Channel 17* allotment at Vernal, Utah is also pending. (BPET-960705KJ).

VFW Post 7114 and Auxiliary and a Retired Senior Volunteer Program. See Exhibit B.

7. Caliente is also the home to dozens of businesses including several hotels/motels, restaurants and grocery stores. The Rainbow Canyon Ranch/Resort Golf Course and the Railroad Boxcar Museum are also located in Caliente. The city also maintains its own website (www.governet.net/nv/ci/caliente/calictin.html), and the U.S. Bureau of Land Management operates a Caliente Field Station in Caliente. See Exhibit B.

8. Caliente is not located in an urbanized area and the proposed principal community contour will not cover 50% of an urbanized area.

TECHNICAL ANALYSIS

9. The attached Technical Narrative includes area-to-locate maps which show that the proposed sites for the Santaquin, Utah and Caliente, Nevada allotments meet all applicable FCC spacing and city grade coverage requirements for each community of license from the proposed sites.

10. The attached Technical Narrative concerning the Santaquin allotment (Figure 1) includes a separation study which shows that the proposed site meets the minimum separation requirements for all NTSC allotments contained in Section 73.606(b) of the Commission's Rules and the DTV allotments contained in Section 73.622(b) of the Commission's Rules. In addition, the Santaquin channel study demonstrates that the proposed allotment of Channel 6 to Santaquin is mutually exclusive with the current allotment of Channel 6 to Vernal. Should Channel 6 be reallocated to Santaquin, TV 6, L.L.C. will file an application to specify the new community of license.

11. The reallocation of Channel 6 to Santaquin will provide a first television service

(“white area”) to 56,743 people within a 15,810 square kilometer area, and second television service (“gray area”) to 2,499 people in a 1,159 square kilometer area. There will be no loss of *existing* reception service, since Channel 6 at Vernal is not constructed. Petitioners believe that the Commission should only consider existing reception service loss that might result from the reallocation of Channel 6 from Vernal to Santaquin.

12. The Commission’s *Memorandum Opinion and Order in Community of License*, 5 FCC Rcd 7094, 7097 (1990), held that

the public has a legitimate expectation that existing service will continue, and that this expectation is a factor we must weigh independently against the service benefits that may result from the reallocation of a channel from one community to another, regardless of whether the service removed constitutes a transmissions service, a reception service or both. (Emphasis added.)

In *Littlefield, Wolfforth and Tahoka, TX*, DA 00-602, released March 20, 2000, at ¶ 8, the Commission staff stated that the loss area resulting from the proposed change in community of license for an unbuilt station “is theoretical and does not represent an actual loss of service.” This analysis of potential reception service area loss is consistent with the Commission’s treatment of potential transmission service loss. The Commission routinely approves the removal of an unbuilt station even when a community would then be left with no other local transmission service. See, *Mount Olive and Staunton, IL* (DA 99-2035, released October 1, 1999, citing *Bagdad and Chino Valley, AZ*, 61 FR 60043 (1996); *Sanibel and San Carlos, FL*, 10 FCC Rcd 7215 (1995).²

-
2. For the Commission’s information, the Technical Narrative reports that deleting the Channel 6 allotment from Vernal will result in the potential loss of first television service to 14,528 people in a 16,608 square kilometer area and 26,432 people in a 18,027 square kilometer area potentially losing their second television service, albeit a service that they have not come to rely on since the Channel 6 facility in Vernal has not been constructed.

13. The deletion of Channel 6 at Vernal will result in a net loss of Grade B service to a population of 50,109 people within a 49,800 square kilometer area. The reallocation of Channel 6 to Santaquin will provide a net gain in new Grade B service to a population of 437,309 people in a 32,820 square kilometer area, resulting in a net Grade B service gain to 387,200 people.

14. The attached Technical Narrative concerning the Caliente allotment (Figure 1) includes a separation study which shows that the proposed site meets the minimum separation requirements for all NTSC allotments contained in Section 73.606(b) of the Commission's Rules and the DTV allotments contained in Section 73.622(b) of the Commission's Rules. In addition, the Caliente channel study demonstrates that the proposed allotment of Channel 6 to Caliente is mutually exclusive to the current allotment of Channel 6 to Ely. Should Channel 6 be reallocated to Caliente, Kaleidoscope Foundation, Inc. will file an application to specify the new community of license.

15. The reallocation of Channel 6 to Caliente will provide first television service ("white area") to 933 people in a 11,161 square kilometer area, and second television service ("gray area") to 43,880 people in a 19,666 square kilometer area. For the reasons set forth in paragraph 12, above, this proposal will create no existing loss area.³

16. The deletion of Channel 6 at Ely will result in a net loss of Grade B service to

See, *Farmington, supra*.

3. Deleting the Channel 6 allotment from Ely will not result in the creation of even potential white area loss. However, there is a potential "gray area" loss of 10,468 people in a 32,332 square kilometer area, though the second television service at issue is a service they have not come to rely upon since the Channel 6 facility at Ely has not been constructed. See, *Farmington, supra*.

10,468 people within a 32,372 square kilometer area. The reallocation of Channel 6 to Caliente will provide a net gain in new Grade B service to a population of 47,020 people in a 32,800 square kilometer area, resulting in a net Grade B service gain of 36,522 people and a 428 square kilometer area.

17 The reallocation of Channel 6 from Vernal to Santaquin advances Priority 1 of the Commission's Television Allocation Priority Policy. It will provide a "white area" gain (Priority 1) to 56,743 people within a 15,810 square kilometer area. The reallocation to Santaquin will also provide Santaquin with its first local television service (Priority 2).

18. The reallocation of Channel 6 from Ely to Caliente also advances Priority 1 of the Commission's Television Allocation Priority Policy by providing a "white area" gain of to 933 people in a 11,161 square kilometer area. It also advances Priority 2 (first local television service to Caliente) and Priority 3 ("gray area" service).

19. In sum, adopting the two contingent proposals herein would result in the following net gains and losses of service:

	Total Population		Total Area (sq. km.)	
	Gain	Loss Existing/Potential	Gain	Loss Existing/Potential
White area	57,676	0/14,528	26,971	0/16,608
Gray area	46,379	0/36,900	20,825	0/40,359
Net Grade B	484,329	0/60,577	65,620	0/82,172

The "white area" gain of 57,676 persons is sufficient for the Allocations Branch to prefer the allotments proposed herein over retaining the current Channel 6 allotments at Vernal, Utah and

Ely, Nevada. See, e.g., *Silverton and Bayfield, CO*, DA 99-3004, released 12/23/99. However, Petitioner's proposal also allows for a net "gray area" population gain and a net Grade B population gain.

20. As stated, should the Commission grant the reallocations to Santaquin and Caliente, Petitioners will file applications for the new allotments, and construct the facilities upon grant of the applications.

REQUEST FOR EXPEDITED ACTION

21. Petitioners respectfully request expedited consideration of the instant Petition. TV6, L.L.C.'s construction permit for Channel 6 at Vernal, Utah expires on December 19, 2000. Should the station be constructed at Santaquin, the move to Santaquin may not be permitted because it will be viewed as depriving Vernal of its then-only existing service. If this Petition is granted by a final action, before the expiration of the Vernal, Utah, Channel 6 construction permit, then the Table of Allotments would be modified so the Vernal, Utah allocation would be deleted, and the Santaquin, Utah allocation added. Then, under the Commission's tolling provisions, the expiration of the TV6, L.L.C. permit would be tolled pending the processing of its application for Channel 6 at Santaquin. Given the substantial white area service gain that will be achieved, Petitioners urge the Allocations Branch to use its best efforts to expedite the processing of this Petition.

CONCLUSION

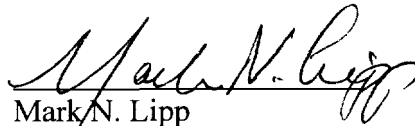

Accordingly, Petitioners respectfully request that the Commission grant the instant Petition and amend the Table of NTSC Television Allotments (Section 73.606(b) of the Commission's Rules) to (a) delete Channel 6 at Vernal, Utah, allot Channel 6 to Santaquin, Utah

and amend TV 6, L.L.C.'s construction permit accordingly and (b) delete Channel 6 at Ely, Nevada, allot Channel 6 to Caliente, Nevada and amend Kaleidoscope Foundation, Inc.'s construction permit accordingly.

Respectfully submitted,

TV 6 L.L.C. and
KALEIDOSCOPE FOUNDATION, INC.

Santaquin

Santaquin is located at the southern edge of Utah County, Utah, about 20 miles south of Provo. From its elevation of about 5200 feet, one can look to the north and see Utah Lake and Mount Timpanogos.

Santaquin was originally called Summit City, because of its location at the summit dividing line between Utah and Juab valleys. It was settled in 1851 by the pioneers who helped to settle Payson, five miles to the north. Abundant water, firewood, and timber could be found in the canyon immediately to the southeast, making it an ideal place to set up a community.

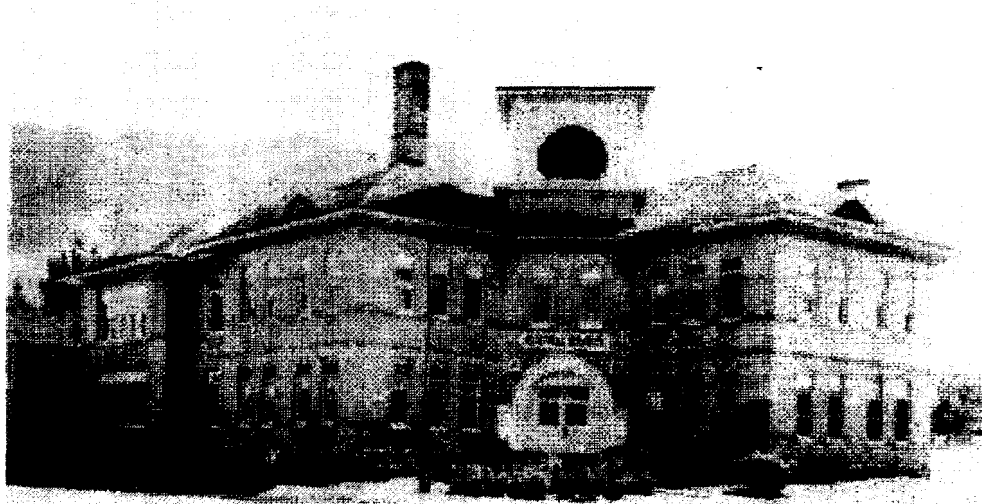

A friendship developed between local Indian chief Guffich and pioneer leader Benjamin F. Johnson, enabling the whites to settle peacefully in the area. By 1853, the settlement had grown enough to become known as Summit Creek Precinct #7. Shortly thereafter, the Walker War commenced, and the settlers were forced to move to Fort Peteetneet at Payson, until 1855.

The settlers moved back to Summit Creek in the spring of 1856, after which a fort was built after plans drawn up by Truman O. Angell. One night soon after the settlers had returned, Chief Guffich came secretly to warn Johnson of an impending raid by young braves, including his son Santaquin. The settlers quickly left. When the raiders found the fort deserted, Guffich stated that they must have been warned by the Great Spirit to leave. Apparently, from that day on the Indians and the Mormon pioneers enjoyed peace. It was decided to rename the town after Guffich, but he instead asked that it be named "Santaquin" after his son.

The Le Baron store stood directly west of the old church and across the street and east of the old school. It has since been torn down.

A rock schoolhouse was built in 1856. In 1896 the first local church building was erected. The church building was used into the 1960's by the LDS Church. In recent years it has been the meeting place of the local Assembly of God church. The building still stands, now under ownership of the City of Santaquin, and ~~is being renovated starting in 1994 as the city library.~~ In addition to farming, early industries included sawmills, a flour mill, a molasses mill, and a furniture shop. A silk industry was started with the planting of mulberry trees, some of which still exist. The railroad complemented the horse and buggy as a means of transportation beginning in 1875. About that time, several mines were discovered in and around Santaquin, which contained copper, lead, silver, and zinc. The Union Chief mine was the most prosperous. Much of the history of Summit City, Summit Creek, and Santaquin is preserved in the Chieftain Museum located on the corner of 100 West and 100 South.

The old schoolhouse was completed in 1903, and now serves as Santaquin's historical Chieftain Museum.

Following serious flooding in 1949, the Summit Creek Canal and Irrigation Company was given approval to construct a reservoir west of the city. A diversion dam was completed and more than 10,000 feet of concrete pipe laid in 1971.

Natural Gas service was brought to Santaquin in 1954.

As the Geneva Steel plant to the north was built, many fruit farmers relocated to the Santaquin area. Large orchards came to replace wheat fields and pasture land.

In 1968, Interstate 15 was completed through Santaquin.

The population in Santaquin has grown from 12 in 1851 to 2400 in 1990. Since a sewer system was constructed in 1994, Santaquin has grown rapidly to over 3000 population in 1999. During 1998, while the average rate of growth in Utah County was 3%, Santaquin grew 14%.

Introduction	1999 Schedule	1999 Event Chairpersons
Men's Club Parade	Rodeo	Little Buckaroo Rodeo
Children's Parade	Talent Show	Mud Dais
Dance	Concessions	Dances
Craft Fair	Lunch Wagon Dinner	Miss Santaquin Pageant
Fireman's Parade	Art Show	5K Run
Santaquin Area Chamber of Commerce	Chamber Museum Tours	Piano Festival

Introduction

The Santaquin Days celebration traces its beginnings to the early 1980's. Then-mayor Sandra Armstrong wanted an event that would bring the community together. Her initial idea was a Main Street parade.

That same year, Farrel Craig brought the resources together for the first annual Little Buckaroo rodeo. Four years later, the first adult Rodeo was held as a part of Santaquin Days. During many of those years, Dale Beardall has been instrumental in procuring prizes for the Little Buckaroos from area merchants.

Each year Santaquin Days has grown, adding such events as a Craft Fair, games at the park, and a Talent Show.

The chairperson of this year's celebration is Shantel Craig.

1999 Calendar of Events

(See links above for more detailed information.)

Event	When	Where
Miss Santaquin Pageant	April 17, 7:00 PM	Centennial Park
Baby Miss Contest	July 16	Centennial Park
Junior Miss Contest	July 16	Centennial Park
Little Miss Contest	July 16	Centennial Park
Little Buckaroo Rodeo <i>Registration</i>	July 26	Centennial Park
Rodeo <i>Registration</i>	July 30	Centennial Park
Youth Dance	July 30	Baseball Fields/Elem. School

Firemen's Mud Digs	August 7	6275 West US Hwy 6

1999 Event Chairpersons

Event	Name	Phone
Advertisement Booklet	Kathy Hansen	754-5369
Youth Dance	Chris Gifford	754-3044
Chuck Wagon Dinner	Lisa Wilkey	754-3522
Children's Parade	Janice Unice	754-5252
Grand Parade	Amy Jackson	754-3536
Craft Fair	Shantel Craig	754-3800
Entertainment	Clay Craig	754-3844
Adult Dance	Mark Robbins	
Rodeo	Farrel Craig	754-3346
Chieftain Museum Tours	Annette Bott	754-3910
	Donna Bott	754-3957
	Idonna Crook	754-3958

Main Street Parade

The grand parade begins at 10:00 at 400 East Main Street and continues west on Main Street to 300 West, finally turning south and finishing at the Centennial Park. Contact Amy Jackson at 754-3536 for more information.

Following the parade at the Centennial Park, come enjoy games and fun.

Rodeo

The Santaquin Rodeo is provided by Clegg Championship Rodeo Co., and is sanctioned by the Western States Rodeo Association. This year's competition will be at 8:00 PM on **August 6th & 7th** at the Santaquin Rodeo Grounds, 175 West 400 South. Seating is on the lawn surrounding the arena. Purchase advance tickets at the City Center. Registration for the Rodeo is on **July 30th**.

Advance Tickets:

- Immediate Family: \$20.00
- Adult: \$5.00
- Children (4-14 years): \$4.00
- Children 3 years and under Free.

Tickets at the Gate:

- Immediate Family: \$25.00
- Adult: \$6.00
- Children (4-14 years): \$5.00
- Children 3 years and under Free.

Following the Rodeo on Saturday night there will be a fireworks show choreographed to music played by KYKN 103.9 FM.

Little Buckaroo Rodeo

The Little Buckaroo Rodeo is an event for boys and girls ages ____ and under. **Pre-Registration** will take place between 6:00 and 8:00 PM on Tuesday and Wednesday, **July 27th and 28th** at the Centennial Park bowery. Please contact Gina Taylor to register. Mail-in registration is due by July 28th to:

- Santaquin Little Buckaroo Rodeo

- c/o Gina Taylor
- 135 East 200 North
- Santaquin, UT 84655

The Rodeo will take place on **August 3rd & 4th**. For contestants, as well as for children age 3 and under, admission is free. Prizes will be awarded in all events on both days. One buckle will be given for each event for the best score overall.

Events include Barrels, Poles, Breakaway, Steer Riding, and Sheep Riding. Fees:

- Team Roping, Steer Riding, and Breakaway: \$11.00 per event.
- All other events: \$6.00 per event.

Sponsored by: Santaquin Riding Club, their wives, and Dale Beardall.

Children's Parade

The Children's Parade begins **Wednesday, August 4th at 4:30 PM** at the Santaquin City Center (45 West 100 South) and proceeds west to Centennial Park. Children of all ages are welcome (ride your bike, bring your wagon, or walk.) Contact Janice Unice at 754-5252 or Mindi Larsen at 754-3443 for more information.

Talent Show

The Talent Show will take place on **Saturday, August 7th, from 11:00 AM to 5:30 PM** at the **Centennial Park**. Please contact Clay Craig at 754-3844 for more information or to register to perform in the Talent Show. The show will include:

- "Jean's Golden Girls" ages 45-83
- Native American Dancing
- Clogging
- Singing
- Cougar All-Star Cheerleaders
- and MUCH MUCH MORE!!

Prizes will be awarded.

Mud Digs

Due to unforeseeable circumstances, the Mud Digs for this year have been cancelled.

Games at Centennial Park

Beginning as soon as the Grand Parade is over, bring the kids and enjoy games and all sorts of fun at the Centennial Park until 5:30 PM. Activities will include games for children, youth, and adults, as well as a Pie-Eating contest and Flea Market. While you're there, don't forget to stop by the [Santaquin Fair](#) ...

Concessions -- Support the New Library

All of the concessions for both nights of the rodeo and some of the concessions during the Centennial Park activities will be provided by the Santaquin Friends of the Library. All concessions proceeds will go toward the [new Santaquin Public Library](#). Please support your community by supporting the Friends of the Library.

Dances

The Youth Dance will be held on July 30th from 8 PM to 11 PM for ages 13 and up. Admission is \$2.00. It will be held at the baseball fields and/or in the elementary school parking lot, 150 South 400 West. Volunteers are needed to chaperone. Please contact Chris Gifford at 754-3044.

The Adult Dance is sponsored by The Western Dance Club and will be on July 31st at the Rodeo Grounds from 8 PM until 11 PM for ages 18 and up. Admission is \$2.00 per person. Please contact Mark Robbins at 754-3908 for more information.

Craft Fair

Beginning as soon as the Grand Parade is over, come enjoy the Craft Fair at the Centennial Park until 5:30 PM. There will be plenty of [games](#) and Concessions for the kids as well.

Chuck Wagon Dinner

This year's Chuck Wagon Dinner will be at the park behind the City Center, beginning at 7:00 PM, Monday, August 2nd. Tickets can be purchased in advance at the City Office (beginning July 1st) or at the door.

Ticket Prices (in advance or at the door)

- Immediate Family \$25.00
- Individual \$5.00
- Senior Citizen \$4.00
- Children 4 and under \$3.00

Menu

- BBQ Ribs
- Vegetables
- Dinner Roll
- Potato Salad
- Drink
- Fruit
- Dessert

Entertainment: Aaron Jones and Friends will perform Cowboy Poetry. Call Aaron if you are interested in participating in the entertainment.

If you have any questions, please contact Lisa Wilkey, at 754-3522.

Miss Santaquin Pageant

The Miss Santaquin Pageant was held Saturday, April 17th. The 1999 Miss Santaquin Royalty is:

- Hailee Provstgaard - Queen
- Tina Davis - First Attendant
- Kaycee Jones - Second Attendant

Following the year of their reign, the royalty will receive money toward a college scholarship. The queen receives \$300, while the first attendant receives \$200, and the second attendant receives \$100.

Santaquin Community Choir

The Santaquin Community choir will provide two performances this year on Sunday **August 1st** and Sunday **August 8th** at 7:00 PM in the LDS Stake Center, 90 South 200 East. Admission is free. For more information, please contact Craig Evans at 754-3313 or Doug Rowley at 754-5071.

Santaquin Arts Council

This year's performance by the Santaquin Arts Council has been cancelled so that more emphasis can be placed on the Santaquin Community Choir.

5K Fun Run

This year's run begins at 7:00 AM, Saturday, **August 7th**, at the Centennial Park bowery. Late registration will begin at 6:00 AM. To pre-register, please contact Mike Cunningham at 754-3720. As part of the entry fee you will receive a T-shirt.

Trap Shoot

Both the Mens as well as the Youth and Ladies Trap Shoots will be held at the Santaquin Gun Club. Head south on the Old Highway and follow the "Santaquin Gun Club" signs to the turnoff approximately 1 mile south of the South Santaquin Interstate 15 interchange. Registration is open to the public. Youth are considered ages 18 and younger.

The Youth and Ladies Trap Shoot will begin at 4:30 PM on **August 5th**.

Youth

- 12 Years and under - 25 targets

- 13-16 Years - 50 targets
- Fees - FREE
- Each entrant will receive a prize
- Trophies will be awarded to 1st and 2nd place finishers.

Ladies

- 50 Singles
- Fees: \$15.00
- Trophies will be awarded to High Lady and Runner-up.

The Men's Trap Shoot will begin at 8:00 AM on August 7th.

- Cost: \$25.00
- 100 Target Event - 50 Singles, 50 Handicap
- Minimum 5 entries per class
- 3 class trophy buckles, A-B-C
- 2 ydg trophy buckles, short and long
- HOA buckle

Chieftain Museum Tours

Tours of the Chieftain Museum (90 West 100 South) will be given from 1 PM to 4PM on Friday and Saturday, August 6th and 7th. Admission is free, but donations are appreciated.

For more information, or to arrange a special tour (i.e. groups of 10 or more), please contact Idonna Crook at 754-3958 or Annette Bott at 754-3910.

Piano Festival

The piano festival will be held Thursday, August 5th at the LDS 5th/6th ward chapel, 50 North 300 West at 6:00 PM. Admission is free. Best dress is encouraged. For more information, please contact Lynda Broadbent at 754-3157.

Santaquin, Utah

Incorporated 1932

Originally named Summit City. Changed to Santaquin in 1856 to honor the Sanpitch Indian chief who later became a farmer and cattle rancher in the area. Chief Black Hawk of the Ute Indian tribe is buried in the foothills near the city. Center of the state's sour cherry and apple industries, the city is surrounded by several fruit packing plants. Largest employer is Olsen's Greenhouse.

Santaquin

Below you will find a series of small "thumbnail" images of Santaquin. Hold your mouse pointer over a thumbnail image to see a short picture title. Click on the thumbnail image to see the enlarged image. Eventually each *enlarged* image will have a description written below it.

Please check back often to see new images that have been added.

If you have any pictures of Santaquin that you think might be fun for others to see, please send us a scanned copy (JPG format is preferred). Or if you have just waxed nostalgic, let us know what you think of "Images of Santaquin".

Come to the Town Hall Meeting

On Wednesday, March 22 at 7:00 PM the Mayor and City Council will be holding a Town Hall Meeting to hear your concerns or answer any general questions you may have about the city. Feel free to come and ask any question you can think of about the city, and learn more about how Santaquin City functions. Tell your friends!!!

Miss Santaquin Pageant

The Miss Santaquin Pageant will take place on April 15th. To participate or for more information, please contact the city office at **754-3211**.

Youth City Council Elections Held

The Election for Youth City Council was held recently. For more information, please click on "Youth City Council" on the left-hand side of this page. Information will be posted shortly regarding the new Youth Officers and what activities they have planned.

City Survey

The city is currently distributing a survey for your comment about such items as growth, capital projects, and recreation. If you have not received a survey, you may

pick one up at the City Office during business hours.

Volunteers Needed

If you are interested in serving on the **Economic Development Commission**, the **Planning and Zoning Commission**, or as an advisor to the **Youth City Council**, please contact the City Office by February 23rd.

News Briefs -

We are now including on our site news items of interest to the Santaquin community. [Click here for more information.](#) Check back often for updates.

New Items -

See new information on our **Youth City Council** and **Recreation** pages. There is a **City Streets** map on the **Maps** page.

Santaquin City has begun organizing an Economic Development Commission in an effort to determine and encourage the type of business and industry that Santaquin residents would like to have in the city.

If you are interested in participating on the Economic Development Commission, please contact city council member Marilyn Clayson.
